FEES & CHARGES 2018

# SKILLS FIRST SUBSIDISED TRAINING?

Skills First is an exciting initiative of the Victorian Government to subsidise training for eligible Victorians, to gain new skills or upgrade your existing qualifications.

It aims to make vocational training more accessible to people who do not hold a post-school qualification, or to those who wish to gain a higher-level qualification.

Through Skills First, eligible applicants may access Victorian and Commonwealth Government subsidized training for courses XSEED, Next Gear and Hair Assembly, making it much more affordable to study.

If you're an Australian Citizen, Permanent Resident (holder of a permanent visa), or a New Zealand Citizen wishing to train in Victoria, you may apply.

Skills First subsidies are available if you are:

- o Under 20 years of age or are enrolling into a course that is a higher level than your current highest qualification; and
- o Commencing no more than two courses in this calendar year
- o Are currently undertaking no more than 2 courses
- o Have not commenced two courses at the same level as this course in a lifetime

Refer to the Statement of Fees for details of the fees and charges for your chosen course and the Course Guide for full details of the course curriculum and requirements. Concessions on tuition fees may apply for holders of current and valid health care card or pension card. Concessions do not apply for materials fees or tool kits.

\* This training is delivered with Victoria and Commonwealth Government funding. Participants who access Skills First-subsidised training programs must be aware that accessing this program may impact on their ability to access further Government-funded programs in the future.

People with disabilities are encouraged to apply.  
If you have any questions, please get in touch with us on 1300 297 333.
